★ Zone One leaders

State Directors and Committee Members for the American Paint Horse Association

Since 1968, the Washington State Paint Horse Club has been a gathering place for people who share a love of Paint Horses. As the state's oldest Paint Horse organization, we're proud to celebrate the breed's color, versatility, and heart through local shows, clinics, and community events.

Our club is built on friendship, learning, and the joy that horses bring. Whether you're a lifelong rider, youth or just getting started, you'll find a welcoming community here, one that cheers each other on, shares knowledge freely, and keeps the Paint Horse spirit thriving across Washington.

We're more than a community of Paint Horse enthusiasts. We're a family united by tradition, friendship, and a shared love for horses. From monthly gatherings and youth programs to charity events that give back to our local communities, WSPHC is where memories are made and the spirit of the Paint Horse truly shines.

Our Club has been at the forefront of leadership, with State Directors and Committee Members who lead the charge for our Zone One and Washington State for the American Paint Horse Association. We appreciate their vision and dedication to our Paint Horse Members.

We are honored to share our passion with our Champs riders at our annual show. Our exhibitors donate horses to share with our local riding academy Empowering Strides. We offer a class where special needs participants have the chance to showcase their hard work in a fun rewarding environment.

Our show committee is proud of our innovative awards and we are excited to bring new ideas for 2027.

We are proud to bring together over 250 family members for a weekend of fun, rewards and points. This show is recognized by the American Paint Horse Association where our members earn points towards the National Honor Roll. Our Northwest exhibitors consistently dominate the top placings across the board in all divisions from youth to adults. We are also recognized by the Northwest Coordinating Committee, an awards program that includes such prestigious shows as Zone One, The Trophy Circuit and The Star Spangled Classic.
